PROJECTS

Graphic Design III – *Bottle Label: Waving Raft*

Designed cohesive packaging and promotional poster in Adobe Illustrator tailored to 25–35-year-old consumers seeking social connection. Solidified brand identity's playful, approachable tone that resonates with socialization through vibrant yet structured visuals.

Graphic Design III – *Conference: Health Next*

Developed a comprehensive visual identity for a medical technology conference with an audience of healthcare professionals. Utilizing DNA inspired imagery and teal tones to reflect the themes of scientific innovation and community.

Intro to Audio/Visual – *App: Trailhead*

Developed an organized outdoors focused visual identity and app mockups for a North American camp booking service. Created an intuitive user journey for campers to find, book, or save campsite locations.
